Singapore 417808

Attn: Mr Chia Yaw Ming

Dear Mr Chia

**Letter of No Objection for AC Charger**

1. We refer to the application dated 27 May 2022 (the "**Application**") submitted by HAI KHIM ENGINEERING PTE LTD, UEN 200402572H (the "**Company**") to the LTA Electric Vehicle Charging System Verification Panel ("**EVP**") for the purpose of obtaining a letter of no objection in relation to the AC electric vehicle chargers with the following brand and model(s) (the "**Charger**"):
  - a. Brand: AUTEL; and
  - b. Model(s): MAXI EU AC W22-C5-4G, MAXI EU AC W7-C5-4G.
2. The Application is accompanied by the test report(s) in relation to the Charger, the Certificate of Conformity, and the other supporting documents listed in the Appendix ("**Supporting Documents**").
3. Based on the Supporting Documents, and on the basis that the Charger is only for public use, we note that the Charger complies with the requirements of Technical Reference 25:2016 for Electric Vehicle Charging System.
4. Take note that the EVP's noting herein is strictly specific and limited to the brand and model of the Charger stated above and is invalid and does not apply to any other brand or model of electric vehicle charger or if any change or modification is made to the Charger.

5. For the avoidance of doubt, our position above only relates to conformity of the Charger to the said standards set out in paragraph [3] above, and we do not warrant that the Charger is safe, fit for purpose, or complies with any other prevailing requirements. The Company remains solely responsible for ensuring that it is able to meet all applicable obligations in respect of the Charger, and for advising its clients on matters relating to the safe installation, use and maintenance of the Charger.

Yours faithfully

---
